# Sammy's Story

Ask your child to retell you Sammy's story

Mom tells Sammy she has tickets for the concert

They meet Aunt Sophie and cousin Michaela for pizza before the concert

The girls are so excited as they walk to the concert

Suddenly they can't see their moms anywhere

They are so scared

Just then Mom and Aunt Sophie find them

Talk to your child about the story (Sammy and her cousin get separated from their moms on the way to a concert). Then discuss the following 'What if' situations.

What if you got lost at a football match, at the shops or in the park?
